CLEANS • SHINES • PROTECTS

ECO-FRIENDLY

CAUTION: AVOID EYE CONTACT. IN CASE OF CONTACT, FLUSH WITH WATER.
KEEP OUT OF REACH OF CHILDREN.

NET WT. 16 OZ (474 ml)

ENVIRO WASH

PROFESSIONAL DETAILING
SAVES GALLONS OF WATER WITH EACH USE

Keep your ride looking clean and classy mile after mile. This eco-friendly one-step solution eliminates dust, dirt, insects, tar, and road grime. Advanced biodegradable polymers encapsulate and lift debris without scratching paint or chrome. Natural citrus gently melts away residue while protecting custom finishes. **Enviro Wash** removes minor scratches, and leaves a no streak protective finish. Waterless (except for the water in the bottle!) means you save time, money, and the environment. Take pride in your ride! You won't believe the results!

USE: Cleans and details Motorcycles, Scooters, Bicycles, Cars, Boats, and RV's. Pro-style detailing is made easy with just a spray and a wipe. For use on all finishes, chrome, glass, plastic, and rubber.

DIRECTIONS: **Shake well** and spray directly onto the surface to be washed. Immediately dry and polish to a high luster with a clean soft cloth (for best results use a micro fiber towel). Cleans and protects all surfaces. Use weekly to maintain a beautiful show room finish.

CONTAINS: Water, Biodegradable Polymer Emulsion, Citrus Based Solvent, Pigment and Preservative.

HMS RATINGS: Health-1, Flammability-0, Reactivity-0, Personal Protection-A.

CAUTION: Avoid eye contact. In case of contact, flush with water. **KEEP OUT OF REACH OF CHILDREN.**
